KMDC 5th Anniversary cum ICKM in Hong Kong Dinner

Dear Members & Friends from the KM Community,

The Knowledge Management Development Centre (KMDC, www.kmdc.org) held its official GRAND LAUNCH back on 3 December 2004 at the Senior Officers' Mess, Hong Kong Police Headquarters. Over 100 distinguished guests participated to witness Hong Kong's first step into the Knowledge Management journey. So much has happened over the past five years as more organizations in HK have embarked on the KM journey with more local institutions investing valuable resources and efforts into the R&D and education of KM.

Five years on...Hong Kong is now a prominent regional and global KM hub in Asia. The 6th annual International Conference on Knowledge Management (ICKM, www.ickm2009.pbworks.com) will be held in Hong Kong on 3 & 4 December 2009. KMDC is honoured to be an official collaborating partner of ICKM this year.

In the evening on 3 December, KMDC will celebrate the 5 years of greatness in Asia's Knowledge Management development with participants from ICKM at the **"KMDC 5th Anniversary & ICKM Conference Banquet Event"**. Join us as we take this valuable opportunity to showcase to the world Hong Kong's achievement in KM development in front of ICKM participants from around the world, ensuring Asia World City - Hong Kong's prominent position in Asia. This event will provide an excellent net-working and relationship building opportunity for our local KM experts and practitioners among the overseas delegates as well as guests from all business sectors.

The Event will be held at the Headquarters of the Hong Kong Police Force at Arsenal House, Wanchai. As a coincidence, the Hong Kong Police Force recently obtained the best MAKE (HK) award as well as the Asian MAKE award and it has implemented KM since 2001. Naturally we have the pleasure to have the HKPF to share with us its KM journey to add tonic to this special event.

Details of this special event are given below. Since identification is required to enter the Police Headquarters Building, we need time to prepare the confirmation of your registration. We shall be grateful if you could reply via fax or email to us before 10 November 2009.

See you on 3 December 2009.

Best Regards
